Step 2 of your repair request

Just one quick question.

Is any water leaking onto the floor?

This helps us understand urgency.

- **No, it stays inside** — The floor is dry
- **Yes, a small leak** — I can see water on the floor
- **I'm not sure** — Ask me another way

You don't need to know the model number to continue.

A few things you may wonder.

riparo

Services How it works Trust & safety For professionals

EN

CONCEPT · SAMPLE DATA

W10

Frequently asked questions

A few things you may wonder.

Do I need to know the fault?

No. Explain what you notice, in your language. The technician diagnoses the problem.

Does the estimate authorize a repair?

No. You approve the technician's exact quote before repair work starts.

How does the home-visit code work?

Show your arrival code to the assigned technician at your door. Both apps confirm a successful match.

Can I take the item to a shop?

Yes, when drop-off is supported for your category and location.

Ask support →
